

Hopedale: District Plan Overview 2017-2020

Mission

The primary mission of the Hopedale Public Schools is to develop the intellectual potential of each student. We believe that every child can learn successfully. We are committed to developing a range of learning experiences and environments that will ensure this success. We want our young people to be happy and to be well prepared to meet their own needs and the needs of others as responsible members of society

Vision

Hopedale Public Schools provides a personalized educational experience that is challenging and relevant, promoting the academic success and the social and emotional well-being of all students, while ensuring integration, acceptance, and celebration of all students. Professional staff, who demonstrate evidence of high-level instruction for 21st century learning, prepare students for success in school, work, and life by ensuring that our graduates are literate in all academic areas and are capable of making positive life choices.

Core Values

- Active Citizenship
- Responsibility
- Respect

Theory of Action

If we set high expectations for student learning; provide aligned curricula and instructional materials; collect and analyze data to inform teaching and learning; provide staff with exceptional, on-going opportunity for growth; ensure that program development and expansion meets the needs of all learners; and ensure families are connected to schools, then student performance will improve.
