

**Hopedale Public Schools
Policies of the School Committee**

JJD

STUDENT ACTIVITY ADMISSION FEES

The Hopedale School Committee actively supports student performance activities, including but not limited to musical, theatrical and athletic events, for the benefit of the student participants, the student body, and the Hopedale community.

To assist in the support of such activities, admission fees may be charged for these, or any other events. Fees will be set by the School Committee and the use of fees is at the discretion of the Committee. Fees will be reviewed annually. The School Committee reserves the right to waive any fee(s) at its discretion.

All receipts obtained by the Committee from these fees shall be deposited with the Town of Hopedale Treasurer and held as a separate account and may be expended by the Committee for any lawful purpose without further appropriation.

Dual Valley Conference Athletic Events

| | |
